REGULATION AMENDMENTS & CLARIFICATION

2021 Caterham Academy Championship

BULLETIN NUMBER 02
DATE OF IMPLEMENTATION: 20/07/2021
CHAMPIONSHIP PERMIT NO: CH2021/R056

The following is a clarification to the official regulations already issued for the above Championship within the rights reserved in Art. 1.1. of the Championship Regulations. These will be implemented immediately or as shown subject to Motorsport UK yearbook regulations.

AMENDMENT

~~1.6.7 An additional 10 championship points may be claimed by any registered competitor who completes a full day of marshalling at any Motorsport UK Permitted 'race event' (speed events do not count) and who submits their race licence upgrade card, which will be duly signed by the Clerk of the Course at the event in question. This must be then be notified (and if required, presented) to the Championship Coordinator, before the final championship round.~~

~~Due to the ongoing COVID-19 pandemic, this regulation may be withdrawn at the discretion of the Championship Coordinator.~~

Reason:

In accordance with championship regulation 1.6.7, the regulation has been withdrawn. Therefore, the additional championship points available for completing a full day of marshalling will not apply in 2021. This is due to the limitations presented by the covid-19 pandemic, meaning not all drivers have had the ability or fair opportunity to benefit from this regulation. For the avoidance of any doubt, championship regulation 4.2.2 remains unchanged.

Simon Lambert - Championship Coordinator
