

**BRSCC Fiesta Junior Championship - Mk7 1.6 ZETEC S: Mandatory Championship Parts List - 2022 Season**

**Please Note: ALL of the parts listed below are MANDATORY FITMENT, and must ONLY be purchased and supplied from Cooksport. Fitment of Mandatory Parts not supplied by Cooksport may render the car as Non-compliant with Championship Regulations. To order build kits / spares and fully built cars, contact Cooksport here: <https://www.cooksport.co.uk/brscc-contact/> Tel: 01761 439098**

SKU	Brand	Product Name	Type	Description
CSFFCJC2	Cooksport	Fully rebuilt 1.6 Zetec Engine	Performance	Exchange sealed championship specification engine, re-built using Genuine Ford Components and high quality pattern parts. Suitable donor engines must be supplied by customers first. Please note: The rebuilt engine returned is unlikely to be the same unit as supplied by the customer. Cylinder head will be completely rebuilt to a controlled specification. The head, block bore and stroke will be measured ensuring OE specification is retained. Compression will be maintained on skimmed heads by way of a repair gasket. Piston rings, valves, all bearings and relevant bolts will be replaced, along with new oil pump and water pump, a full timing set and all new gaskets and seals. The engines will be sealed with individually numbered and recorded tamperproof tags. Should your donor engine be deemed unfit for refurbishment (rod failure, damage to cams, block, crank, pistons etc) a replacement will be requested and a surcharge may be levied.
CSFFCJC7	Cooksport	Cat Back Race Exhaust	Performance	Cooksport Championship specification 60mm diameter stainless steel Cat-back exhaust system. An OEM Ford Cat as fitted to the 1.6 Fiesta Zetec model as standard must be used.
