Competitors not testing can access the venue from 18:00 Friday and 07:00am Saturday.

**The Paddock must be vacated by 20:00 on Sunday.**

#### 5 Health & Safety

At all times, whilst in the confines of the venue, competitors should comply with the circuit and club guidance notes printed further on in these notes as well as Government, Motorsport UK and BRSCC'S Covid-19 guidelines.

#### 6 Pit & Paddock Areas

Please see the Paddock Plan in Section 22. **Any competitor/team who has stationed themselves in the incorrect place in the paddock and has refused to move when asked by a BRSCC or circuit official, may be reported to the Clerk of the Course.**

**Vehicle passes have been posted and must be displayed when stationed in the paddock areas.**

The Paddock is a working area for competitors and teams. Private vehicles must remain outside the paddock area.

##### 6.1 Engine/Noise Pollution

Engines must not be run before 09:00hrs on Saturday. Circuit Security Contractors and the paddock parking team are empowered by the organisers to strictly enforce this regulation. Any team member found in contravention of this regulation shall at the sole discretion of the circuit owner be removed from the venue and prevented from taking any further part in the event.

## 6.2 Paddock

- (a) Waste oil should be removed from the venue or disposed of in the waste oil containers where provided.
- (b) **All domestic rubbish must be placed in the bins provided and any scrap vehicle parts including tyres must be removed from the venue. Any cost incurred by the Club for removal of said items from the paddock, will be charged to offending teams/competitors.**
- (c) Under no circumstances must any paddock surface be broken in any way, i.e. tent pegs/stakes, etc. this includes damage caused by trailers. Fuel, oil or chemical substances must not be deposited onto any tarmac surface.
- (d) Hospitality is not permitted in the paddock/pit area without the express permission of the circuit owners. The only exception to this is hospitality for competitors and official team personnel.
- (e) Competitors must vacate the paddocks by **20:00 on Sunday**.
- (f) No electrical cables may be run from the pit garages to other vehicles unless protected by a proprietary protective covering.

## 6.3 Pit Lane

- (a) The outer lane or lanes are to be kept unobstructed to allow safe passage of cars at all times. The onus shall be on all drivers to take due care and drive at minimum speeds in the Pit Lane. Occupants of the pit garages are reminded that during any other qualifying session or race, their race cars must be totally inside the pit garage and all ancillary equipment cleared to the inside of the garage.
- (b) Please observe the pit lane speed limit which is 60kph and 40kph for Fun Cup Endurance.
- (c) The Stop/Go penalty box is located in the pit lane directly outside of Race Control.
- (d) Refuelling in the pit lane is not permitted unless allowed for in the Championship/Series Regulations.
- (e) Children under the age of 16 years are not permitted in the pit lane area.
- (f) Smoking is not permitted in the pit lane.

## 6.4 Support Vehicles

The use of vehicles is not permitted unless towing a trailer for the purpose of transporting ancillary motor race equipment in the pit and paddock area. No competitor may use a support vehicle in the pit road at any time unless authorised by a race official. Any misuse of “support vehicles” will be brought to the attention of the Senior Officials and appropriate action may be taken.

## 6.5 Tail Lifts

Where vehicles with tail lifts are being used at the venue, the operator must ensure that the tail lift is never left down, including in the halfway position, other than when loading/unloading is being undertaken.

# 7 Signing On For Competitors

- 7.1 Competitors will not sign-on at the meeting having previously completed the self-declaration form, however, competitors must bring all the appropriate documentation as spot checks will be made during the race meeting.
- 7.2 Drivers are reminded that licences and medicals must be valid, bearing a recent photograph and be signed by the driver. Upgrade cards will not be signed at the event, competitors wishing to upgrade their licence should contact Motorsport UK directly and provide documentation proving their finishing position.
- 7.3 It is the responsibility of the driver to bring all the appropriate documentation at the event.

# 8 Scrutineering

Full Safety Scrutineering will be in place at the event.

All competitors must pass scrutineering before their first sessions.

**The Scrutineering Bay will be open from 14:00 on Friday afternoon.**

Competitors will also be able to get scrutineered at the times indicated in the timetable.

**At Scrutineering drivers must provide:**

**Caterham Seven 270R – 09:45 in the Caterham Race Centre**

**Sunday:**

**Caterham Academy – 09:00 in the Caterham Race Centre**

## 11 Circuit Access

All competitors (including those in the garages) will access the track via the Assembly Area to permit noise testing prior to practice and to put the cars in grid order before proceeding to the grid for their race(s).

## 12 Qualifying/Grids

Qualifying will take place as per the timetable. It is the driver's responsibility to be ready at least 20 minutes before their timetabled session. Drivers should go to the assembly area 20 minutes before published times and then, when directed by the course marshal, they should proceed onto the circuit.

**Caterham Seven Championship UK: Following the qualifying session, the top 5 cars will be held in the pit lane and will then proceed to the Superpole.**

## 13 Race Start Procedure / Safety Car

All start procedures will be in accordance with the championship/series regulations. It is the competitor's responsibility to ensure that they are ready in good time. Under ideal conditions, the racing programme may be brought forward. Grids will be formed as per championship /series regulations and the terms of the circuit licence.

Where races are for a set time duration, the chequered flag will be shown to the race leader the first time they pass the Finish Line after the time has elapsed.

### 13.1 Race Start

All Caterham Championships and Northern and Super Classic Formula Fords will use standing starts.

Fun Cup Endurance will use a rolling start.

### 13.2 Safety Car Intervention

The Clerk of the Course will have the facility for the use of the safety car in accordance with the Championship / Series regulations. It is the driver's responsibility to make sure they are fully aware of these regulations. The Safety Car will join the circuit from the pit lane exit and will exit the circuit via the pit lane entrance.

#### **Northern and Super Classic Formula Ford Races**

Should the Safety Car be deployed in a Formula Ford Race, at the discretion of the Clerk of the Course, 5 minutes will be added to the 15 minutes scheduled race duration. This time addition will only be implemented once per race. A second Safety Car Intervention will not have any further time added to the race duration.

### 13.3 Green Flag/Formation Lap

Should there be a change in weather conditions which would necessitate an additional green flag/formation lap, then at

the discretion of the Clerk of the Course, the race duration may commence once the last car starts the additional green flag/formation lap.

#### 13.4 Fun Cup Night Sessions

All teams are reminded that during dark sessions MUK regulations E.12.2.10 and E.12.2.11 apply “Competing cars shall have front and rear lighting, brake lights, and direction indicator lights in working order.” “Reflective identification numbers must be displayed in three places: on the forward and each side of the car. The side numbers must be adequately illuminated and displayed on a flat vertical surface.”

**In the event of circuit light failure for either start type the Union /National flag will be used to start all races.**

### 14 End of Track Session Procedure

**14.1** At the end of each track session be it qualifying or the actual race, all vehicles must slow down after taking the chequered flag and leave the circuit via the Pit Lane Entrance.

**14.2** At the end of your race, presentations will be carried out in accordance with championship/series regulations if time permits. Please follow instructions of race marshals etc. In the case where the presentation does not take place immediately after the race, competitors should report to the Paddock/Race Secretary’s office.

### 15 Judicial

Breaches of driving standards will be firmly dealt with. If the Clerk of the Course wishes to view evidence from the TV production company, any competitor’s personal in-car camera, and/or data logging evidence in order to assist with his enquiry into a breach of driving standards he may order that the results remain provisional and he may take judicial action at a later date. However, the use of video evidence and/or data logging evidence is at the sole discretion of the Clerk of the Course.

**Protests and appeals must also be submitted electronically and emailed to the secretary of the meeting. The protests and appeal form is available on Motorsport UK’s website (<https://www.motorsportuk.org/resource-centre/document-library/>) or on the BRSCC Event page (<https://brsc.co.uk/wp-content/uploads/2022/03/2022-02-25-motorsport-uk-protest-and-appeal-form.pdf>). Fees related to protests and appeals must be paid to Motorsport UK by calling 01753 765 000.**

### 16 Stop & Go Drive Through Penalties

The Clerk of the Course reserves the right to impose a ‘Stop/Go Penalty / Drive Through penalty’ in accordance with Motorsport UK Regulation [Q 12.6].

The designated Stop/Go box is at the bottom of race control.

### 17 Judges

Judges may be appointed as per Motorsport UK Regulation [Q 18].

## 25 Circuit & Club Safety Guidance Notes

1. **Storage and use of Petroleum Spirit**
  - i All petroleum spirit must be stored in metal containers complying with the relevant British Standard, away from any source of ignition.
  - ii All containers must be indelibly marked - "Petroleum Spirit - Highly Flammable".
  - iii All empty containers must be removed from the venue after the event.
  - iv Petrol is to be used as fuel only and not for any other purpose.
  - v All vehicle refuelling is to take place in the open air. A no smoking ban must be enforced by the person in charge of the refuelling process.
  - vi Your attention is drawn to the Petroleum (Consolidation) Act 1928 and the Petroleum Spirit (Motor Vehicles) Regulations 1929.
2. **Hazardous Substances**
  - i Some vehicle parts, for example brake and clutch linings, contain asbestos. Entrants are encouraged to use non-asbestos substitutes wherever possible. Where asbestos is used, every effort should be used to prevent asbestos dust getting into the air.
  - ii Some mineral oils may cause skin cancer. Prolonged contact should therefore be avoided wherever possible. Where contact does occur any contamination should be washed off immediately. The wearing of contaminated clothing (including overalls) should also be avoided.
  - iii Various other substances may cause disease or ill health even after very short exposures.

Manufacturers and suppliers of such substances are obliged to provide customers with information about the possible harmful effects of their products upon request

- iv Where any person is at work, the requirements of the Control of Substances Hazardous to Health (COSHH) Regulations 1988 must be complied with.
- v The Championship Regulations must always be complied with when selecting vehicle parts.

### **3. Electrical Safety**

- i All electrical equipment must be maintained in a safe condition.
- ii Extension leads and cables should be flexible and not of semi-rigid cable of the type used for household wiring. Neoprene covered cable will resist damage by oil.
- iii All electrical equipment to be used externally should be weather proof.
- iv Hand tools should preferably be of the “double insulated” or “all insulated” type as these provide valuable protection against electric shock.
- v Electrical equipment and hand tools should not be used in areas where flammable vapours may be present, for example where fuel is being stored or refuelling is taking place.
- vi Where any person is at work the requirements of the Electricity at Work Regulations 1989 must be complied with.

### **4. Fire Precautions**

- i Smoking is prohibited in all pit garages and in the pit lane.
- ii All potential sources of ignition should be kept away from petroleum spirit and vapours.
- iii The lighting of barbecues is prohibited in the paddock and pits area.
- iv All teams should carry a suitable fire extinguisher in accordance with the relevant Governing Body regulations.
- v Fire extinguishers should not be removed from fire points unless they are being used on a fire.
- vi All fires must be reported immediately to an official or member of the venue management.
- vii Teams are encouraged to train their members in the correct use of fire extinguishers.
- viii All fire notices and orders to evacuate must be complied with.

### **5. Compressed Gas Equipment**

- i Air blasts from the over inflation of tyres can cause injury. Tyres should therefore not be inflated to pressures above the manufacturer’s recommendations.
- ii All airlines should be in good condition and be inspected regularly.
- iii Always stand clear when inflating tyres.
- iv Any form of horseplay involving compressed air or gas is prohibited.
- v Compressed gas cylinders should be stored in accordance with the relevant working practices.
- vi Where any person is at work the requirements of the Pressure Systems and Transportable Gas Containers Regulations 1989 must be complied with.

### **6. Jacks and Axle Stands**

- i Vehicles should only be raised on jacks which are in good condition and rated to lift the vehicle weight safely.
- ii Jack vehicles only on level, undamaged floors.
- iii Use the handbrake and/or chocks to stop the vehicle moving.
- iv Jacks should only be used for lifting the vehicle. Axle stands should always be used to support the vehicle weight.
- v Vehicle engines should not be run whilst the weight of the vehicle is supported by axle stands.

### **7. General Working Practices**

- i All working areas should be kept clean and tidy, and any waste should be removed regularly and placed in the containers provided.
- ii All spillages should be cleaned up immediately.
- iii Trailing wires and hoses should not be allowed to create a trip hazard. Airlines/electrical cables must not be run across circuit roadways/pathways.
- iv Whenever vehicle engines are being run, adequate ventilation should be ensured.
- v All safety notices must be complied with.
- vi Any person carrying out any work must ensure that they adopt safe working practices at all times and comply with any relevant statutory provisions and/or published guidance.
- vii Children under the age of 16 are not allowed in the pits or pit lane, except in the designated spectator enclosure.
- viii Tailgates on Transporters must remain closed at all times except when equipment is being loaded/unloaded.

### **8. Noise**

- i Exposure to excessive noise may result in hearing loss or other complaints. These may be short term or, after repeated exposure, permanent.
- ii All persons should avoid being exposed to excessive noise and where this is unavoidable, they should wear ear plugs or defenders to the appropriate British Standards.
- iii Where any person is at work, the requirements of the Noise at Work Regulations 1989 must be complied with.

### **9. Manual Handling of Loads**

- i Lifting, carrying and propelling loads by bodily force are a major cause of injuries. All teams are encouraged to train

their members in safe manual handling techniques.

- ii Where any person is at work, the requirements of the Manual Handling of Loads Regulations 1992 must be complied with.

**10. Waste**

- i All waste oil must be placed in containers marked “Waste Oil” located in the facility room at the rear of each Pit Garage Block.
- ii Waste tyres and empty petrol/oil containers should not be left at the venue.
- iii Teams and competitors are urged to take any other form of waste with them when they leave the venue.
- iv Your attention is drawn to the requirements of the Environmental Protection Act 1990.

**11. Vehicle Safety**

- i 10 mph speed limit is in force in all public areas including paddocks and service roads. This applies to all vehicles including mopeds and motorcycles, with the exception of emergency vehicles attending an incident.
- ii Persons riding mopeds and motorcycles up to 125cc must have a current UK provisional driving licence or its international equivalent.
- iii Persons riding motorcycles over 125cc must have a current full UK motorcycle licence or its international equivalent.
- iv Motorcycles should not be ridden in spectator areas.
- v All vehicles must at all times keep to the marked roads when moving round the venue.
- vi Motorised vehicles (including Quad Bikes) may only be used within circuit grounds on official race team business. Recreational use is strictly prohibited.

**12. First Aid**

- i Any person sustaining an injury or feeling unwell should seek treatment from the onsite emergency services.
- ii To call the first aid or emergency services contact any official or member of the venue management.

**13. Public Safety**

- i Competitors and Entrants should be aware that the paddock may be open to the public and should act in a manner so as not to put either themselves or any other person at risk from injury.
- ii Competitors and Entrants should exercise particular caution when the paddock is busy and during pits and track walkabouts.

**14. Reporting of Accidents and Incidents**

- i All accidents where any person sustains injury, or where damage to property occurs, must be reported immediately to an official or a member of the venue management.

**15. Governing Body Regulations**

- i Competitors and Entrants are reminded of their obligations to comply with the requirements of the appropriate sporting regulations at all times and these Guidance Notes should be read in conjunction with all other relevant regulations.
