

CHAMPIONSHIP BULLETIN 2024
Regulations Amendments & Clarification

BRITISH GT CHAMPIONSHIP

Bulletin Number: 02
Date of Implementation: 20 June 2024
Championship Permit No: CH2024/R002

The following amendments to the Championship Regulations are of immediate effect pursuant to the permission of Motorsport UK applying NCR A.2.4 exempting the Organisers from the requirement to obtain the consent of Competitors under NCRs D.11.1.1 and 11.2. All additions are underlined and in red text. Where appropriate, deletions are shown by strikethrough.

Amendment to Article 30.9(b):

30.9 b) Participation in other series

Participation in Competitions counting towards other Championships or Series, is not considered as private testing. This includes any official test sessions and all official practice sessions. However, participation in additional Competitions during the same Event with GT3 or GT4 cars is only authorised for those competing as full-season competitors in those Series or Championships.

Amendment to Article 31.1.(d):

31.1 d. There are no restrictions on Drivers and Teams competing in other races taking place at the same Event, (see Article 30.9 b) as long as this does not impact in any way on their participation in the mandatory elements of the main British GT Competition, including briefings, podiums, press conferences etc. However, participation in additional Competitions during the same Event with GT3 or GT4 cars is only authorised for full-season competitors in those Competitions.

Reason(s):

Due to the exceptional circumstances of sharing a meeting with another GT4 series, the following clarifications are made to articles 30.9 and 31.1

This Championship Bulletin is Issued as an Official Document (2024 NCR D.8) pursuant to authority of the ASN under 2024 NCR A.2.4 and is effective immediately.
