Regulations Amendments & Clarification

**GINETTA JUNIOR CHAMPIONSHIP**

**Bulletin Number:** 02  
**Date of Implementation:** 16 August 2024  
**Championship Permit No:** CH2024/RXD002

The following amendments to the Championship Regulations are of immediate effect pursuant to the permission of Motorsport UK applying NCR A.2.4 exempting the Organisers from the requirement to obtain the consent of Competitors under NCRs D.11.1.1 and 11.2. All additions are underlined and in red text. Where appropriate, deletions are shown by strikethrough.

**Amendment to Article 5.14.6:**

5.14.6 The 4 allocated tyres presented on the car at the start of the meeting must be used for all the official Ginetta Junior Free Practice, Qualifying and Races, and official pre-event test sessions. Exceptionally, for the Silverstone National race meeting (17/18 August), competitors must not use championship nominated tyres for the pre-event test day on Friday 16<sup>th</sup> August. However, the tyres used on this day must be supplied by the nominated supplier in accordance with these regulations.

**Reason(s):**

Due to the unusual set up of the test day organised by the venue, this change is made to ensure equality of tyre wear of the 4 nominated tyres from the start of permitted competition.

This Championship Bulletin is Issued as an Official Document (2024 NCR D.8) pursuant to authority of the ASN under 2024 NCR A.2.4 and is effective immediately.
