

**BMW SUPERCUP – MANDATORY ECU MAP**

As part of the process of equalising car performance throughout the grid, mandatory ECU maps must be installed in all cars ahead of the first race that the car is taking part.

The mandatory maps can only be installed by:

**HYBRID TUNE**

Renvale Technology Park

Eye Road

Brome

Suffolk

Tel: 01379 770091

Email: [sales@hybridtune.co.uk](mailto:sales@hybridtune.co.uk)

Cost for the mandatory control map to be installed onto the ECU of BMW Compact cars is £150 + VAT (£180 inc. VAT) per car.

Cost for the mandatory control map to be installed onto the ECU of BMW 1 Series cars is £200 + VAT (£240 inc. VAT) per car.

**How to have your mandatory map installed:**

Remove your ECU and securely wrap / box it up, include inside the packaging your name, telephone contact number, email address and your return postal address.

Post it by tracked courier to Hybrid Tune at the above address.

Once your ECU has had the control map installed, you will be contacted by Hybrid Tune for payment. There will be an additional cost for return postage.

**PLEASE NOTE: Due to the age and past usage of ECU's, Hybrid Tune can accept no responsibility for damage or failure of any part.**
