

BRSCC DS3 CUP – MANDATORY ECU MAP

As part of the process of equalising car performance throughout the grid, a mandatory DS3 Cup ECU map has been created, and this must be installed in all cars ahead of the first race that the car is taking part.

The mandatory map can only be installed by:

Autograph Tuning

Unit 5, Holt Business Park

Burnley

BB10 2TN

Email: autographtuning@live.com

Tel: 01772 812843

Cost for the new map to be installed onto the ECU is £200 + VAT (£240 inc. VAT) per car.

If you'd like to have your car dyno-tested whilst having the map installed, this will be at additional cost (please request this service when contacting Autograph Tuning).

How to have your mandatory map installed:

Remove your ECU and securely wrap / box it up, include inside the packaging your name, telephone contact number, email address and your return postal address.

Post it by tracked courier to Autograph Tuning at the above address.

Once your ECU has had the control map installed, you will be contacted by Autograph Tuning for payment. There will be an additional cost for return postage.

PLEASE NOTE: Due to the age and past usage of ECU's, Autograph Tuning or can accept no responsibility for damage or failure of any part.
