

CHAMPIONSHIP BULLETIN 2025
Regulations Amendments & Clarification

BRITISH GT CHAMPIONSHIP

Bulletin Number: 01
Date of Implementation: 24 April 2025
Championship Permit No: CH2025/R002

The following amendments to the Championship Regulations are of immediate effect pursuant to the ASN applying NCR Ch.1 Art.1.4 exempting the Organisers from the requirement to obtain the consent of Competitors under Ch.3 App.10 Art.4.2. All additions are underlined and in red text. Where appropriate, deletions are shown by strikethrough.

Amendment to Article 20.2, paragraph 8:

20.2 ...

Should, for any reason, the results of the previous Race remain provisional due to any unresolved judicial matters (such as an outstanding appeal), which may upon resolution affect the classification of the top 3 in the respective GT3 or GT4 category, then the compensation time will not be applied to the pit stop in that category during the following race(s) ~~and~~. Instead, the compensation time shall only be applied to the elapsed race time of the provisional results for the race(s) after the judicial matters have been resolved and when the final top three places in the respective category for that previous round have been determined. For clarity, where the outcome of any unresolved judicial matters will only affect the GT3 category, then the GT4 compensation times will still be applied to the pit stop; where the outcome of any unresolved judicial matters will only affect the GT4 category, then the GT3 compensation times will still be applied to the pit stop.

...

Reason(s):

The amendments to the article take into consideration that Judicial proceedings at an Event shall be conducted by the Stewards of the Event who shall act as the first Judicial body (Article 9.1.5 of the Championship Regulations refers). Consequently, any appeal against a decision of the Stewards of the Event is to the National Court, and National Court appeals require a longer period of time to be resolved. Therefore, this change is made to confine any postponement of applying compensation time to the respective category that the resolution of any appeal may affect, in cases where it is likely the outcome would affect the top 3 in that respective category.

This Championship Bulletin is Issued as an Official Document (2025 NCR Ch.3 App.10) pursuant to authority of the ASN under 2025 NCR Ch.1 Art.1.4 and is effective immediately.
