

## **COMPETITOR BRIEFING NOTES**

### **CADWELL PARK – 9/10 AUGUST**

Welcome to Cadwell and the BRSCC NW run meeting, welcome to you all and enjoy the weekend

Please read the briefing notes below prior to attending this BRSCC race meeting as it contains a variety of pieces of information necessary for the smooth operation of the event. Do not forget to read the meeting finals and attend your championship briefing

#### **Arrival:**

As you are aware there will be no sign-on for drivers this is electronic and see finals for scrutineering details

#### **Track activity:**

Please ensure that you are in the assembly area well in advance of your session (20 minutes max). For qualifying you will be released onto the track, timing will have started and use the session as you would usually do to signal (lights & flags) positions. For races you will be released from the assembly area and undertake the start process as relevant:

#### **ALL RACES EXCEPT MODIFIED FORDS**

Standing Start (Countdown from Grid)

Cars will assemble in assembly area marked on the paddock plan. Cars will leave assembly area to the grid (Safety Car may be used) and will line up in starting grid order and when complete will be shown 1 minute board, 30 second then the green flag, the green flag lap should be completed in less than 4 minutes, if more your race duration could be curtailed. On return to the grid when the grid is formed a 5 second board will be shown followed by the red lights which will be extinguished after 2 to 7 seconds for the start. In the case of light failure, the Union Flag will be used

#### **MODIFIED FORDS**

Rolling Start from assembly

Cars will assemble in the assembly area. Cars will leave assembly area to the grid behind the Safety Car and will line up in starting grid order and when complete they will be shown the 1 minute board, 30 second board then green flag for the commencement of the rolling start lap behind the Safety Car on which they will get into 2 x 2 formation then on return to the start/finish the start lights will be on red and will be extinguished for the start of the race. In case of light failure, the Union Flag will be used

#### **End of Sessions**

At the end of every session after taking the chequered flag at the line complete  $\frac{3}{4}$  of a lap and return to the Paddock & Parc Fermé area by exiting at the bottom of the Mountain and then to Parc Ferme, just prior to Scrutineering as directed.

#### **Signals (Lights & Flags)**

The above will be as the NCR's, please remember especially the yellow light/flag no overtaking & slow down be prepared to stop and no overtaking till the green light/flag, red light/flag session stopped slow down progressively, return to pits in qualifying and grid in the race

Yellow Safety Car lights will be displayed when the Safety Car is deployed, no overtaking

Red lights session stopped, no overtaking, see above. If your race unfortunately generates a red flag, please on return to the grid stop on the left of the circuit and follow the marshal's instructions which will allow for speedier re-gridding and efficient movement of circuit vehicles

### **Driver Conduct:**

This is a non-contact sport, and all incidents of contact will be investigated. Any on-track issues or concerns should be taken to the clerk of the course who is based in race control. If due to circuit activity you delayed seeing the clerk please contact the clerk in the secretary of the meetings office or the event secretary. If you stop trackside, please try to pull well clear and indicate with a thumbs up you are OK thus avoiding the need for a safety car or a session stop.

### **Track Limits**

Track Limits will be monitored and penalties applied. Please remember any contact patch of the tyre on any one wheel over the white line or outer edge of the kerb will generate a penalty.

In qualifying your time on that lap will be deleted, for the race the following penalties will apply
