

## TRACKIT DONINGTON PARK SUMMER RACE WEEKEND

This race meeting is organised by the British Racing & Sports Car Club Ltd (Midland Centre), governed by the National Competition Rules of Motorsport UK, incorporating the provisions of the International Sporting Code of the FIA, additional Supplementary Regulations and any written instructions the organisers issue for the event.

These final instructions should be read in conjunction with any further instructions or bulletins issued by the organisers.

RACE SECRETARY EMAIL: [midlands@brscc.co.uk](mailto:midlands@brscc.co.uk)

### 1. Permit Numbers

This event will be held under the following Motorsport UK permit numbers:

Interclub: 206222
-------------------

This event is NCAFP permitted.

### 2. Officials

Motorsport UK Steward	Ken Tyrer
Event Stewards	Paul Clackett, Tony Carwithen
Senior Clerk of the Course	Glynn Lee
Clerks of the Course	Darren Holmes, Dave Weston, Mark Mitchell
Deputy Clerk of the Course	Adam Peers, Mark Noble, Kyle Jackson, Suzie McNeil
Secretary of the Meeting	Rita Ashman, Lucy Asman (Dep), Sue Crook (Asst)
Chief Scrutineer	Paul Hewer
Chief Medical Officer	TBC
Chief Timekeeper	Stewart Burr
Chief Marshal	Paul Hewer
BRSCC Safeguarding Officer	Esther Crook

### 3. Passes

Your e-tickets will be dispatched via email. If you have not received your tickets by 10:00am on Thursday 4<sup>th</sup> June, please contact [info@brscc.co.uk](mailto:info@brscc.co.uk).

Paddock Passes will be in operation from the Friday. If you have not received your paddock pass by Thursday 4<sup>th</sup> June, please contact [info@brscc.co.uk](mailto:info@brscc.co.uk).

### 4. Venue Access

Competitors testing on Friday can arrive at the circuit from 21:00 on Thursday.

Competitors not booked for testing will be able to access the paddock between 12:00 – 21:00 on Friday.

Competitors racing on Sunday only will be able to access the paddock between 18:00 – 21:00 on Saturday.

### 5. Health and Safety

At all times, whilst in the confines of the venue, competitors must comply with the circuit and club guidance notes printed further in these instructions.

### 6. Pit & Paddock Areas

Please see the Paddock Plan in Section 25.

Any competitor/team who has stationed themselves in the incorrect place in the paddock and has refused to move when asked by a BRSCC or circuit official, may be reported to the Clerk of the Course.

All private vehicles must be parked outside the paddock area. This will assist in making the paddock a more spacious and pleasant working area for all competitors.

#### 6.1. Engine/Noise Pollution

All competitors should note that noise testing will be carried out at this event.

If you are camping overnight at the circuit, the circuit management require that engines are not started after 17:30 on the evening prior to the race meeting. Engines must not be run before 09:00 or after 19:00 on Saturday and Sunday.

Circuit Security Contractors and the paddock parking team are empowered by the organisers to strictly enforce this regulation. Any team member found in contravention of this regulation shall at the entire discretion of MSV be removed from the venue and prevented from taking any further part in the event.

Non-compliance with the above policy may result in a competitor/team being prohibited from practising at the relevant MSV Venue for a period of 12 months.

## 6.2. Paddock

- 6.2.1. Waste oil should be removed from the venue or disposed of in the waste oil containers where provided.
- 6.2.2. All domestic rubbish must be placed in the bins provided; any scrap vehicle parts including tyres must be removed from the venue. Any cost incurred by the Club for removal of said items from the paddock, will be charged to the offending teams/competitors.
- 6.2.3. Under no circumstances must any paddock surface be broken in any way i.e. tent pegs/stakes etc; this includes damage caused by trailers. Fuel, oil or chemical substances must not be deposited onto any tarmac surface.
- 6.2.4. Hospitality is not permitted in the paddock/pit area without the express permission of the circuit owners. The only exception to this is hospitality for competitors and official team personnel.
- 6.2.5. The roadways within the Paddock area and Fire Lane must be kept clear of all vehicles at all times.
- 6.2.6. It is prohibited to park vehicles so that they are backed up against the Pit Garage doors.
- 6.2.7. Please ensure that tail lifts are either closed or fully lowered such that they cannot be hit by passing vehicles/spectators.
- 6.2.8. Team members should not ride on the side or backs of competitor vehicles.
- 6.2.9. Unless otherwise stated by BRSCC/MSV or without prior permission, private vehicles should be parked in the designated car parks.

## 6.3. Pit Lane

- 6.3.1. The outer lane or lanes are to be kept unobstructed to allow safe passage of cars at all times. The onus shall be on all drivers to take due care and to respect pit lane speed limits. Occupants of the pit garages are reminded that during any other qualifying session or race, their race cars must be totally inside the pit garage and all ancillary equipment cleared to the inside of the garage.
- 6.3.2. The pit lane speed limit is 60kph.
- 6.3.3. The Stop/Go penalty box is located in the pit lane in front of the Race Control building.
- 6.3.4. Refuelling in the pit lane is not permitted unless allowed for in the Championship/Series Regulations.
- 6.3.5. Children under the age of 16 years are not permitted in the garages or the pit lane unless for the purposes of a scheduled grid walk.
- 6.3.6. Children under the age of 16 years should be supervised at all times.
  - 6.3.6.1. Should a team breach 6.3.5. and/or 6.3.6. MSV/BRSCC accepts no liability
- 6.3.7. Vehicles located in the garages must remain in the garages during other sessions.

## 6.4. Support Vehicles

The use of vehicles is not permitted unless towing a trailer, or for the purpose of transporting ancillary motor race equipment in the pit and paddock area. No competitor may use a support vehicle in the pit road at any time unless authorised by a race official. Any misuse of "support vehicles" will be brought to the attention of the Senior Officials and appropriate action may be taken.

## 6.5. Use of Paddock Bikes, Scooters and Quad Bikes

Scooters/quad bikes/golf buggies/pushbikes (including electric bikes) must be used with care to prevent injury. They must only be driven or controlled by appropriate drivers of suitable age in a safe manner across the venue and a maximum 10 mph speed limit is in force on site for all vehicles, where permitted. Children are not permitted to ride scooters or quads at any time or be carried as passengers. All drivers and passengers must wear suitable protective clothing, and the number of passengers must not exceed the number of seats or passenger places provided. If any form of trailer is attached to such a vehicle it must be properly secured in line with the manufacturer's requirements or recommendations.

The use of paddock vehicles is at the risk of the owner and/or driver, and such use must be covered by a suitable public liability policy.

Scooters and quad bikes are not permitted on any grass verges, banks or any general public viewing areas such as trade malls. They must adhere to designated vehicle routes.

Scooters and quad bikes must be in a road worthy condition and fitted with lights.

E-Scooters and Mini Motos are not permitted on site.

Alcohol is strictly prohibited whilst driving any vehicle at the Venue.

Riding on trailers is strictly prohibited.

If you have a paddock accident within the venue you are likely to be held liable for it. All competitors acknowledge that any non-race vehicle used between paddock and pit lane is covered by PL/3rd party insurance.

BRSCC and MSV officials will be monitoring the driving standards of paddock vehicles and reserve the right to penalise individuals or teams for the unsafe handling of those vehicles, this includes confiscating vehicles.

## 6.6. Tail Lifts

Where vehicles with tail lifts are being used at the venue, the operator must ensure that the tail lift is never left down, including in the halfway position, other than when loading/unloading is being undertaken.

## 7. Signing on for Competitors

- 7.1. Competitors will not sign-on at the meeting having previously completed the self-declaration form online, however, competitors must bring all the appropriate documentation as spot checks may be made during the race meeting.
- 7.2. Drivers are reminded that licences and medicals must be valid, bearing a recent photograph and be signed by the driver.
- 7.3. It is the responsibility of the driver to bring all the appropriate documentation to the event.

## 8. Scrutineering

All competitors will be scrutineered in the Scrutineering Bay at the times stated in the timetable. Scrutineering will also take place on Friday afternoon from 13:00 to 18:00 in the Scrutineering Bay, and Saturday from 09:00 to 18:15 outside Scrutineering Parc Ferme for competitors racing Sunday only.

At Scrutineering drivers must provide:

- (a) Competition Car
- (b) Crash helmet, visor or goggles, gloves, boots, overalls & FHR device (if required).
- (c) Vehicle Identification forms (if required)
- (d) MOT/road fund licence (if required)

All vehicles must be noise tested prior to their first session on the circuit. Noise testing will be done prior to a vehicle entering the Assembly Area. Cars having failed or who have not been noise tested will NOT be admitted to the track.

## 9. Eligibility

In addition to the series Eligibility Scrutineers, eligibility may be checked by a member of the Motorsport UK Technical Commission, as listed in the Motorsport UK Officials' Yearbook Appendix 5(d).

## 10. Mandatory Briefings

Briefings will be carried out in person and may be supplemented by written briefing notes.

MANDATORY BRIEFINGS WILL TAKE PLACE AS BELOW:

### Saturday

- Mazda MX-5 Clubman Championship – 07:30 in the Garage 39 Briefing Room.
- Production Cup & Silverlake DS3 Cup – 08:00 in the Garage 39 Briefing Room.
- Mazda MX-5 SuperCup Championship – 08:30 in the Garage 39 Briefing Room.
- Fiesta ST150 Challenge – 09:00 in the Garage 39 Briefing Room.
- Mazda MX-5 Championship – 09:30 in the Garage 39 Briefing Room.
- CNC Heads Sports & Saloons – 10:00 in the Garage 39 Briefing Room.
- ClubSport Trophy – 11:00 in the Garage 39 Briefing Room.

### Sunday

- DDMC Northern Saloon & Sports Car Championship – 08:00 in the Garage 39 Briefing Room.
- BMW SuperCup Championship – 08:30 in the Garage 39 Briefing Room.
- Modified Ford Series – 09:00 in the Garage 39 Briefing Room.
- VW Audi Racing Championship – 09:30 in the Garage 39 Briefing Room.

## 11. Circuit Access

All competitors must access the circuit via the Assembly Area (including those in garages). All vehicles must be noise tested prior to their first session on the circuit at entry to the assembly area. Cars having failed or who have not been noise tested will not be admitted to the track.

## 12. Qualifying/Grids

Qualifying will take place as per the timetable. All times are provisional and subject to change without notice. Competitors are responsible for monitoring the progress of the meeting and must arrive in the race assembly area no later than 20 minutes before the session starts.

Double/Triple Header Races: Unless championship/series regulations stipulate otherwise grids the second race of a Double header event with only one qualifying session will be based on the finishing order of the first race. Grids for the third race of a Triple header event with only one qualifying session will be based on the finishing order of the second race. Retirements will be placed at the back of the grid in reverse order of retirement.

## 13. Race Start Procedure and Safety Car

### 13.1. Race Start

All start procedures will be in accordance with the championship/series regulations. It is the competitor's responsibility to ensure that they are ready in good time. Under ideal conditions, the racing programme may be brought forward. Grids will be formed as per championship / series regulations and the terms of the circuit licence.

Where races are for a set time duration, the chequered flag will be shown to the race leader the first time they pass the Finish Line after the time has elapsed.

#### 13.1.1. Standing Start

All races will be gridded up in the Assembly Area and released on to the circuit in qualification grid order onto the grid.

Once all drivers are stationary there will be a one-minute countdown; 30 second board and then the cars will be flagged away for the Green Flag lap. All competitors must maintain grid position on this lap as failure to do so may result in them being penalised. No practice starts may be executed during the course of this lap. At the end of the green flag lap, competitors must reduce their speed on the approach to the grid where they will be gridded by the start line marshals for the race start.

Once all drivers are stationary, the 5 second board will be shown and the red lights will be displayed. At some time between 2 and 7 seconds the red lights will switch off - signalling the start of the race.

The organisers reserve the right to issue a bulletin to alter this procedure.

All formulae will use this start procedure except for BRSCC Production Cup & DS3 Cup, BMW SuperCup Championship, VW Audi Racing Championship, Modified Fords & ClubSport Trophy

#### 13.1.2. Standing Split Grid Start (BRSCC Production Cup & DS3 Cup)

All races will be gridded up in the Assembly Area and released on to the circuit in qualification grid order onto the grid.

Once all drivers are stationary there will be a one-minute countdown; 30 second board and then the cars will be flagged away for the Green Flag lap. All competitors must maintain grid position on this lap as failure to do so may result in them being penalised. No practice starts may be executed during the course of this lap. At the end of the green flag lap, competitors must reduce their speed on the approach to the grid where they will be gridded by the start line marshals for the race start.

The grid will be formed in two parts, with the BRSCC Production Cup forming the first part of the grid and the DS3 Cup forming the second part. If possible, there will be a two-row gap between the two parts of the grid, however, the two parts of the grid will start on the same starting signal (there will be no time delay). Once all drivers are stationary, the 5 second board will be shown and the red lights will be displayed. At some time between 2 and 7 seconds the red lights will switch off - signalling the start of the race.

The organisers reserve the right to issue a bulletin to alter this procedure.

#### 13.1.3. Standing Split Grid Start (BMW SuperCup Championship)

All races will be gridded up in the Assembly Area and released on to the circuit in qualification grid order onto the grid.

Once all drivers are stationary there will be a one-minute countdown; 30 second board and then the cars will be flagged away for the Green Flag lap. All competitors must maintain grid position on this lap as failure to do so may result in them being penalised. No practice starts may be executed during the course of this lap. At the end of the green flag lap, competitors must reduce their speed on the approach to the grid where they will be gridded by the start line marshals for the race start.

The grid will be formed in two parts, with the BMW 1 Series Class forming the first part of the grid and the BMW Compact Cup Class forming the second part. The first part of the grid will be started in advance of the second. If possible, there will be a two-row gap between the two parts of the grid. Once all drivers are stationary, the starting signal lights or starting flag (in cases of signal light failure) will be used to start the first part and with the second part started by use of a starting flag alone. The time delay between the two parts will be no less than 10 seconds.

The organisers reserve the right to issue a bulletin to alter this procedure.

**13.1.4. Standing Split Grid Start (VW Audi Racing Championship)**

All races will be gridded up in the Assembly Area and released on to the circuit in qualification grid order onto the grid.

Once all drivers are stationary there will be a one-minute countdown; 30 second board and then the cars will be flagged away for the Green Flag lap. All competitors must maintain grid position on this lap as failure to do so may result in them being penalised. No practice starts may be executed during the course of this lap. At the end of the green flag lap, competitors must reduce their speed on the approach to the grid where they will be gridded by the start line marshals for the race start.

Subject to a minimum number of 4 entries in the Audi TT Cup Class, the grid will be formed in two parts, with the Audi TT Cup Class forming the first part of the grid and the CVWC and Open Class forming the second. The first part of the grid will be started in advance of the second. If possible, there will be a two-row gap between the two parts of the grid. Once all drivers are stationary, the starting signal lights or will be used to start the first part and with the second part started by use of a starting flag alone. The time delay between the two parts will be 10 seconds.

In the event that there are less than 4 entries in the Audi TT Cup Class, the grid shall be formed by overall qualifying times for Race 1, overall Race 1 classification for Race 2. There will be no split on the grid, and all classes will starting signal lights (or starting flag in cases of signal light failure).

The organisers reserve the right to issue a bulletin to alter this procedure

**13.1.5. Rolling Start (SW Motorsports ClubSport Trophy, Modified Fords )**

The start will be via a rolling start in accordance with NCR Ch.12 App.6 Art.6.3.

Cars will be led from the Assembly Area to the Grid by the Safety Car.

The minimum countdown procedures/audible warning sequence shall be:

- 1 minute to start of Green Flag/Pace lap – Start Engines/Clear Grid
- 30 seconds – visible and audible warnings for the start of the Green Flag/Pace lap
- Green Flag/Pace Lap – Complete one lap of the circuit forming into grid order prior to the location determined by the Clerk of the Course.
- Pace Car will leave the circuit. Red gantry lights will be switched on – maintain speed and grid position
- Red Lights OFF – Race Start

In the event that the starting lights fail, the Starter will revert to using the National Flag.

The organisers reserve the right to issue a bulletin to alter this procedure.

**13.2. Safety Car Intervention**

The Clerk of the Course will have the facility for the use of the safety car in accordance with the Championship / Series regulations. It is the driver's responsibility to make sure they are fully aware of these regulations. The Safety Car will join the circuit from the pit lane exit and will exit the circuit via the pit lane entrance. The Safety Car may also be deployed from the last corner during lap 1 at the start of the race.

**13.3. Green Flag/Formation Lap**

Should there be a change in weather conditions which would necessitate an additional green flag/formation lap, then at the discretion of the Clerk of the Course, the race duration may commence once the additional green flag/formation lap has started.

In the event of circuit light failure for either start type the National flag will be used to start all races.

**14. Drivers Signalling Marshals**

If you are involved in an incident you MUST indicate to the marshals if you are OK by signalling with a thumbs-up at the front of your vehicle. If you can safely exit your vehicle, do so and then stand in a suitable/safe location.

**15. Signals by Flags & Light Pannels**

Signals shall be in accordance with NCR Ch.12 App.8. At venues where light panels are operational these light signals will take priority and may be supplemented with flags. All signalling lights/light panels and flag signals carry the same authority and jurisdiction. Therefore, breaches of signals given by any of these methods will be dealt in accordance with the NCR's, notably NCR Ch.2 App.1 Art.1.14, NCR Ch.5A App.5 Art.2.3B, NCR Ch.12 App.8 Art.1.

**16. End of Track Session Procedure**

- 16.1.** At the end of each track session be it qualifying or the actual race, all cars must slow down after taking the Chequered Flag and leave the circuit via the Pit Lane Entry.

16.1.1. Your coordinator and/or the scrutineering team will release you from the Parc Fermé Area. Competitors in garages should where possible re-enter the garages from the rear. If it is necessary to enter via the pit-lane side, competitors must follow instructions of officials and return to your garage in a safe manner. The pit lane may be live when attempting to do this so you may be held by the marshals and/or officials until it is safe to proceed. For competitors not in garages, please return safely to your paddock area.

16.2. At the end of your race, presentations will take place in the Paddock in accordance with championship/series regulations. Please follow instructions of officials.

## 17. Judicials

Breaches of driving standards will be firmly dealt with. If the Clerk of the Course wishes to view footage from the TV production company, any competitor's personal in-car camera, and/or data logging evidence in order to assist with their enquiry into a breach of driving standards they may order that the results remain provisional and they may take judicial action at a later date. However, the use of video and/or data logging evidence is at the sole discretion of the Clerk of the Course.

Protests and appeals must be submitted electronically and emailed to the secretary of the meeting. The protests and appeal form is available [here](#). Fees related to protests and appeals must be paid to Motorsport UK by calling 01753 765000.

## 18. Stop & Go Drive Through Penalties

The Clerk of the Course reserves the right to impose a 'Stop/Go Penalty / Drive Through penalty' in accordance with NCR Ch.12 App.10 Art.2.

## 19. Judges

Judges may be appointed as per NCR Ch.12 App.3 Art.2.

## 20. Race Day Information

All practice times, grid sheets, provisional results and official bulletins, etc. will be posted on the TSL event page and BRSCC virtual Notice Board.

TSL: <https://www.tsl-timing.com/event/262331>

BRSCC Virtual Notice Board: <https://noticeboard.brscc.co.uk/>

## 21. Video Equipment

Video equipment must be fitted to the vehicle prior to scrutineering and the scrutineer must be advised.

## 22. Testing

Please visit the MSV website for more information: [testing-v1.msv.com/Calendar/List](https://testing-v1.msv.com/Calendar/List)

## 23. Social Media

Please take time to read the Motorsport UK's guidelines on Social Media which can be found at: <https://brscc.co.uk/wp-content/uploads/2023/02/2021-03-17-Motorsport-UK-Social-Media-Policy.pdf>

Please refrain from making comments about fellow competitors and officials that could be interpreted as bringing your championship, the hosting circuit, the BRSCC and individual drivers and officials into disrepute. Please take the time to read the BRSCC's Social Media Policy which can be found at: [https://brscc.co.uk/wp-content/uploads/2023/12/BRSCC-Social-Media-Policy\\_V1\\_12DEC2023.pdf](https://brscc.co.uk/wp-content/uploads/2023/12/BRSCC-Social-Media-Policy_V1_12DEC2023.pdf)

## 24. Special Circuit Notes

### 24.1. Paddock

The roadways within the Paddock Area and the Fire Lane immediately behind the Pit garages must be kept clear of all vehicles at all times. It is prohibited to park vehicles so that they are backed up against the Pit Garage doors.

A 10 mph speed limit is in force in all areas of the Venue, except the Paddock where a 10 mph speed limit is in force. Scooters are permitted on the venue, where the rider holds the appropriate licence and helmets must be worn. Mini Moto's are NOT permitted on site. Passengers are not permitted to ride on quads, unless the quad bike is specifically designed to carry passengers. Scooters and quad bikes are not permitted on any grass verges, banks, or any general public areas such as trade malls, and they must adhere to designated vehicle routes.

Scooters and quad bikes must be in a road worthy condition and fitted with lights. No one without a valid driving licence is permitted to drive a scooter or quad bike. Alcohol is strictly prohibited whilst driving any vehicle at the Venue. Riding on trailers is strictly prohibited. Tail lifts must be left either up or down. Anyone found in breach of any of these terms will have their vehicle confiscated.

**24.2. Track Limits (NCR Ch.12 App.7 Art.1.6)**

Competitors should be aware that specific guidance has been issued by the Motorsport UK regarding the penalties applied for drivers breaching track limits. These are as follows:

- 2nd offence - warning flag
- 3rd offence - 5 second penalty
- 4th offence - 10 second penalty
- 5th offence - drive through penalty
- 6th offence – disqualification

Or as otherwise stated in Championship/Series Regulations (NCR Ch.12 App.7 Art.1.11.1)

**24.3. Illegal Driving**

All competitors are reminded that they are liable to disqualification from the meeting if any person associated with their team who is below the age at which a driving licence may be issued, is seen riding, or driving a motor vehicle of any type within the paddock, or any other part of the grounds. Competition vehicles must not be used to transport personnel unless the passenger/s are within the framework of the vehicle.

**24.4. Pit Lane**

- 24.4.1. Only two people per competing car will be allowed to stand on the Pit Wall for the purpose of signalling. During the start of a race, no personnel are allowed on the Pit Wall until all the cars are clear of the grid.
- 24.4.2. Smoking & vaping is not permitted in the pit lane.
- 24.4.3. No one is allowed to ride motorcycles in the pit road at any time when the circuit is operational. It is strictly forbidden for any vehicle to move in the wrong direction in the pit road unless directed by a marshal. The penalty could be disqualification from the meeting.
- 24.4.4. Personnel are reminded to remove any tape used in the pit lane
- 24.4.5. No children under the age of 16 are allowed in the Pit Lane or Garages.

**24.5. Damage and Recovery from the Circuit**

Should oil or any other substance likely to prove a hazard be dropped from any vehicle, the relevant vehicle must stop immediately at a place of safety. Competitors are hereby notified that they may be liable for any excessive clean-up costs incurred by MSV. MSV/BRSCC or the recovery providers cannot be held liable for any damage that is caused during the removal of any vehicle from the circuit.

**24.6. Live Snatch**

In accordance with the track licence; The Clerk of the Course will have the option to carry out “live snatches” under local Yellow signals.

**24.7. Placement of Advertising and Signage**

Teams and competitors may use the A3 clip frame information boards provided (where applicable). Otherwise, placards, banners, advertisements, stickers, decals or leaflets must not be attached, erected, installed or placed anywhere around the MSV venue, including without limitation on any windows, fascias, hospitality suites or doors without MSV's express written permission. Any cost incurred by MSV to rectify or repair any damage caused by any breach of this provision shall be immediately reimbursed by the Team or Competitor on demand.

**24.8. Merchandising**

All merchandising rights on the venue belong to MSV. Any competitor found to be selling merchandise without MSV's prior written authorisation will be liable to immediate payment of the relevant sales site fees before being allowed to practice or race.

**24.9. Parking**

- No private motor vehicles shall be brought into the Venue unless they are necessary for the conveyance of materials to the work site. Dependent on the Event, a vehicle pass may be required. Please check with the Organisers to ensure you have the correct pass.
- Contractor's vehicles must be properly roadworthy, insured, carry appropriate documentation, and be driven by competent persons.
- Unless otherwise authorised to stay on site, cars and vans must be returned to the designated car parks after delivery of equipment. If permitted to remain on site, vehicles must only be parked in positions approved by MSV's event's team. Under no circumstances are contractors, Teams or Organiser's private vehicles allowed on to the Track unless approved by MSV.
  - MSV reserves the right to search any person or vehicle that comes on to or leaves the Venue at any time, CCTV and ANPR camera technology is used at the Venue.

## 24.10. Timing Modules

All competitors will be required to fit Electronic Self Identification Modules (transponders) to their cars for the purposes of accurate timing. It is the responsibility of the competitor to fit these in the car in the position and manner specified. The Modules must be in place and functioning correctly for all Championship/Series qualifying practice sessions and races.

If you need to hire a transponder for this meeting you must do so by the Wednesday prior to the event. This can be done by visiting the TSL-timing shop <https://www.tsl-timing.com/Store#!/Single-Event-Transponder-Hire/p/211269578/category=0>

The timekeepers may not be able to supply you a transponder if you have not pre ordered one before the Wednesday of the event. This could lead to you being in breach of NCR Ch.12 App.6 Art.2.2.

Any competitor who has hired a transponder must return the transponder at the end of the event. Competitors will be liable for any damaged or un-returned transponders.

## 24.11. Filming and Photography

### 24.11.1. Permitted Filming/Photography

Other than the taking of still photographs for personal, non-commercial, and non-promotional use by Teams, Competitors or their guests, the production and/or reproduction of any audio and visual coverage at any MSV venue is not permitted without prior consent. MSV may charge a fee for the production for such coverage. Following requests to produce coverage, an MSV authorisation form will need to be completed in advance of the event. Where MSV provides consent, any and all on-board video equipment carried in or on any vehicle must be safely and securely installed; a club representative must inspect such equipment before the vehicle takes part in any on-circuit activity.

### 24.11.2. Drones

Drones are not permitted on site without MSV written authorisation, following confirmation of CAA requirements, Insurance and Risk Assessments by the Pilot.

## 24.12. Media Accreditation and Control of Photographers

All journalists, photographers and/or camera operators must complete a MSV Media Accreditation Applications Form supplied by the relevant MSV venues Marketing and PR Department, accompanied by the relevant supporting documentation. These forms are available on request from MSV's Marketing and PR Department. Only accredited photographers wearing an identifiable tabard issued to them by BRSCC/MSV are entitled to enter otherwise restricted areas of the venue and must only access restricted areas using official access gates. They must not place themselves in areas of excessive risk, stay behind barriers and do not cross the circuit at any point unless authorised to do so by Club or MSV officials. Accredited photographers must only access restricted areas using official access gates (and must not climb over any fences or gates).

## 24.13. Children

The paddock during testing and meetings is deemed to be a 'workplace' and can be very hazardous, therefore, we must insist that children under the age of 16 must be accompanied and under the direct supervision of an adult at all times. They are not permitted inside garages or the pit lane. Children are not allowed to ride cycles on site without direct supervision of an adult and they must wear cycle helmets.

## 24.14. Catering

Food and drinks will be available in the paddock café, circuit restaurant and food outlets.

## 24.15. Fuel Station

The circuit fuel station will be open throughout the event.

**25. Paddock Plan – Subject to change at the discretion of the organisers.**

**DONINGTON NAT**  
6/7 JUNE 2026

**Paddock Plan**  
**SUNDAY 7th**

**GARAGE PLAN**  
01 - 18: VW AUDI RACING  
19 - 36: BMW SUPERCUP  
37 - 38: BRSCC OFFICIALS

**COMPETITOR NOTICE**  
Any competitor/team who has stationed themselves in the incorrect place in the paddock and has refused to move when asked by a BRSCC or circuit official, may be reported to the Clerk of the Course. The Clerk of the Course shall be empowered to take any action they feel necessary for breach of NCR Ch.6 App.1 Art.2.4, which may include disqualification from the event.

TIMETABLE, FINAL INSTRUCTIONS, SUPPLEMENTARY REGULATIONS, NOTICEBOARD & MORE EVENT INFO @ [brscc.co.uk/events/](https://brscc.co.uk/events/)

RACE WITH RESPECT  
THANK YOU FOR MARSHALLING

## 26. Venue and Circuit Map

## 27. Circuit & Club Safety Guidance Notes

It is the sole responsibility of the Entrant/Competitor to ensure that all the safety requirements below are enforced. The Entrant/Competitor acknowledges that the list below is not an exhaustive list and that it is their responsibility to enforce the below items and any other such safety measures they deem appropriate.

MSV adheres to the Health and Safety at Work Act 1974 and its supporting legislation, regulations and guidance and we expect the same high standards and best practice from those coming to our Venues.

All teams and contractors must appoint a designated responsible person to oversee the safety of activities carried out on site. This name and contact mobile number should be known by the whole team and passed on to an MSV representative on request.

### 27.1. Storage & Use of Petroleum Spirit

- 27.1.1. All petroleum spirit must be stored in appropriate fuel containers complying with all relevant safety standards, away from any source of ignition.
- 27.1.2. All containers must be indelibly marked; "Petrol - Highly Flammable".
- 27.1.3. All empty containers must be removed from the venue after the event.
- 27.1.4. Appropriate fire extinguishers must be readily accessible near any fuel store or refuelling activity
- 27.1.5. Personnel must be trained and wear appropriate fire retardant personal protection equipment (PPE), before using petrol; especially when refuelling
- 27.1.6. Vehicle refuelling is to take place in the open air where possible.

27.2. Generators should be powered by diesel and used in the open air.

27.3. A no smoking ban and no ignition sources in the vicinity must be enforced by the person in charge of the refuelling process

27.4. A car must be cooled before refuelling.

27.5. Drivers and passengers must be outside a vehicle during refuelling and it's recommended all personnel stand a minimum 3m away

27.6. When refuelling is in process a second person must be nearby, ready with a fire extinguisher

**27.7.** Your attention is drawn to The Petroleum (Consolidation) Act 1928, The Petroleum (Consolidation) Regulations 2014, the Petroleum Spirit (Motor Vehicles) Regulations 1929, The Control of Substances Hazardous to Health Regulations 2002 (and amendments) and The Regulatory Reform (Fire Safety) Order 2005, must be complied with.

**27.8.** Participants are reminded that fuel is available for sale at the venue. As such it is unnecessary for participants to carry large quantities of fuel.

## **28. Hazardous Substances**

**28.1.** Some vehicle parts, for example brake and clutch linings may contain asbestos. Participants are encouraged to use non-asbestos substitutes wherever possible. Where asbestos is used, every effort should be used to prevent asbestos dust getting into the air.

**28.2.** Some mineral oils may cause skin cancer. Prolonged contact should therefore be avoided wherever possible. Where contact does occur any contamination should be washed off immediately. The wearing of contaminated clothing (including overalls) should also be avoided.

**28.3.** Various other substances may cause disease or ill health even after very short exposures. Manufacturer's guidance must always be followed. Manufacturers and suppliers of such substances are obliged to provide customers with information about the possible harmful effects of their products upon request (Safety Data Sheets).

**28.4.** Personnel must be suitably trained and wear appropriate personal protective equipment (PPE), before using any COSHH substances.

**28.5.** The requirements of the Control of Substances Hazardous to Health Regulations 2002 (COSHH) (as amended) must be complied with.

## **29. Electrical Safety**

**29.1.** All portable electrical equipment must be maintained in a safe condition and hold a valid Portable Appliance Test (PAT) Certificate.

**29.2.** Cables should be flexible (not of semi rigid type used for household wiring) and covered by matting when crossing walkways or fire lanes. Neoprene covered cable will resist damage by oil.

**29.3.** All electrical equipment to be used externally should be weatherproof.

**29.4.** Only British Standard UK plugs or adaptors permitted in site sockets, no overloading of circuits.

**29.5.** Hand tools should preferably be of the "double insulated" or "all insulated" type, as these provide valuable protection against electric shock.

**29.6.** Electrical equipment and hand tools should not be used in areas where flammable vapours may be present, for example where fuel is being stored or refuelling is taking place.

**29.7.** All electrical equipment must be unplugged when not in use.

**29.8.** The Electricity at Work Regulations 1989 must be complied with, or any deviations documented.

## **30. Fire Precautions**

**30.1.** All teams must keep a working and serviced fire extinguisher close to hand. Fire extinguishers must be annually serviced or inspected, with the date displayed on the bottle, for checking.

**30.2.** Smoking is prohibited in all enclosed areas, including without limitation in the pit lane. Smoking is also prohibited in all MSV vehicles.

**30.3.** All potential sources of ignition should be kept away from petroleum spirit and vapours. Clear no smoking signage displayed where possible.

**30.4.** Barbecues and cooking equipment are prohibited in pit areas – keep away from all fuel and combustibles.

**30.5.** Space heaters must not be left unattended at any time and must be switched off overnight or when not in use.

**30.6.** Temporary structures to have; an adequate gap separating them from other structures, recommend minimum 3 meters; clearly displayed fire extinguishers next to each fire exit door and clearly visible fire exit signage above each fire door.

**30.7.** Fire lanes, roadways and hatch markings to be kept clear at all times.

**30.8.** Ensure safe access and egress is available in and around team areas, this includes the provision of adequate lighting levels for evacuation purposes.

**30.9.** Catering outlets should hold a minimum of one fire blanket and an additional appropriate fire extinguisher.

**30.10.** Fire extinguishers should not be removed from any fire points unless they are to be used on a fire.

**30.11.** Keep fuel to a minimum on site and store in safe locations away from potential ignition sources.

**30.12.** All fires must be reported immediately to an official, marshal or other member of staff, even if extinguished.

**30.13.** Personnel must be trained in the correct use of fire extinguishers.

**30.14.** MSV permission is required before hot works commence on site.

**30.15.** All fire notices and orders to evacuate must be complied with.

**30.16.** The requirements of the Regulatory Reform (Fire Safety) Order 2005 must be complied with.

## **31. Working at Height**

**31.1.** Personnel are encouraged to work at ground level where at all possible.

**31.2.** Personnel working at height must be protected from falling; this includes erecting awnings and satellite dishes on top of trucks. e.g. staff must be trained using harnesses and ropes, or handrails and tethers must be in place.

**31.3.** All working at height must be well planned and supervised with safe systems of work followed.

**31.4.** Reassess working at height safe working practices during adverse weather conditions.

**31.5.** No one should work underneath those working at height.

**31.6.** Appropriate non-slip footwear and personal protective equipment should be worn.

**31.7.** Manufacturer's guidance to be followed when using ladders, step ladders and all working at height equipment. (Domestic ladders should not be used, use a more substantial commercial ladder)

**31.8.** Domestic ladders or step ladders must not be used on site, only commercial ladders and step ladders.

**31.9.** All ladders, step ladders and any equipment must be checked for damage and removed from use where faulty.

**31.10.** The Working at Heights Regulations 2005 must be adhered to.

## **32. Vehicle Safety**

**32.1.** A maximum 10 mph speed limit is in force in all areas of the Venue.

- 32.2. No paddock scooters or push bikes are permitted on site unless authorised by the Organising Club.
- 32.3. Public (and children) are permitted in working paddock areas, therefore drivers/riders must take extra care in these tight localised areas.
- 32.4. Venue signage must be adhered to.
- 32.5. All vehicles driven on site must be road-legal and covered by valid vehicle insurance (including when riding all mopeds, scooters, and quads).
- 32.6. All personnel using vehicles on site must hold a current UK driving license (or equivalent), including scooters.
- 32.7. Helmets must be worn by those riding scooters and mopeds outside the paddock and pits. It is MSVs recommendation that helmets are worn at all times riding around site.
- 32.8. All vehicles must at all times, keep to the marked roads when moving around the Venue.
- 32.9. Children are not permitted to ride scooters or quads at any time or be carried as passengers.
- 32.10. No eating/drinking or the use of mobile phones whilst riding or driving.
- 32.11. Keys must be removed from the ignition of all vehicles when parked or not in use. (Vehicles have been stolen).
- 32.12. Riders or passengers on scooters or motorbikes must not carry unsecured loads.
- 32.13. Hover-boards, electric balance boards or equivalent (non-road legal) electric scooters are prohibited from site (disabled blue badge holders may be permitted to ride electric vehicles to aid access, with MSV permission on entrance).
- 32.14. Children are not permitted to play games in the paddocks, or pit areas due to the high numbers of vehicle movements in these areas during the day or night. (No ball games, bicycles or other). Move into quieter parts of the venue for these activities, away from vehicles.
- 32.15. Children must always be supervised at all times in the Paddock and Pit areas. They are not permitted in the pit lane.
- 32.16. Vehicles must be driven or ridden as per manufacturer's instructions and with the set amount of passengers. (E.g., A 2 seat buggy must not carry more than 1 passenger with the driver – no standing on the back).
- 32.17. Breaches to this guidance may result in vehicle keys being taken and vehicles confiscated until teams leave site.
- 32.18. MSV reserve the right to search any person or vehicle that comes on to or leaves the venue at any time. CCTV and ANPR camera technology is used at the Venue.

### 33. Compressed Gas Equipment

- 33.1. Explosions from over inflation of tyres can cause injury. Tyres should therefore not be inflated to pressures above the manufacturers' recommendations.
- 33.2. All airlines should be in good condition, well maintained and be inspected regularly.
- 33.3. Always stand clear when inflating tyres and wear protective eye wear.
- 33.4. Compressed gas equipment to be used by well trained personnel only, no under 16 year olds. Any form of horseplay involving compressed air or gas is prohibited.
- 33.5. Compressed gas cylinders should be stored safely, in a well ventilated, upright positions, in accordance with the relevant working practices and legislation.
- 33.6. The requirements of the Pressure Systems Safety Regulations 2000 must be complied with on site.

### 34. Jacks and Axle Stands

- 34.1. Vehicles should only be raised and lifted on jacks and supported by axle stands which are in good condition, well maintained and rated to lift the vehicle weight safely.
- 34.2. Jack vehicles only on level undamaged ground.
- 34.3. Use the hand brake and chocks to stop the vehicle moving.
- 34.4. Vehicle engines should not be run whilst the weight of the vehicle is supported.
- 34.5. Follow manufacturer's guidance for using and maintaining equipment. Thorough examinations and testing are required every 6 months, with regular inspections and checks when used.
- 34.6. Lifting Operations and Equipment Regulations 1998 (LOLER), and Provision and Use of Work Equipment Regulations 1998 (PUWER), must be adhered to.

### 35. General Working Practices

- 35.1. All working areas should be kept clean and tidy and any waste should be removed regularly and placed in the containers provided.
- 35.2. All spillages should be cleaned up immediately.
- 35.3. All trailing cables, wires and hoses should not be allowed to create a trip hazard - use cable matting, or tape down safely, burying of cables is not permitted.
- 35.4. Whenever vehicle engines are being run, adequate ventilation must be ensured.
- 35.5. Pathways and roads should not be obstructed by storage boxes, vehicles or kit.
- 35.6. All site safety notices must be complied with.
- 35.7. Any person carrying out any work must ensure that they adopt safe working practices at all times and comply with any relevant statutory provision and/or published guidance.
- 35.8. Personnel under the age of 16 are not allowed in the pit lane.
- 35.9. High-vis clothing should be worn at all times during build and break down

### 36. Noise

- 36.1. Exposure to excessive noise may result in hearing loss or other complaints. These may be short term, or, after repeated exposure, permanent.
- 36.2. All personnel should avoid being exposed to excessive noise, and where this is unavoidable, they should wear earplugs or defenders to the appropriate British Standards.
- 36.3. It is recommended ear protection is worn when working in pits lanes, where particularly high levels of noise are recorded.
- 36.4. Where any person is at work the requirements of the Noise at Work Regulations 2005, must be complied with.

### 37. Manual Handling of Loads

- 37.1. Lifting, carrying, and propelling loads by bodily force can be a major cause of injuries. Personnel are required to train their staff in safe manual handling techniques.
- 37.2. All manual handling lifting should be well planned and safe, with the weight of loads being lifted known.
- 37.3. Where any person is at work the requirements of the Manual Handling Operations Regulations 1992 must be complied with.

### 38. Waste

- 38.1. Access to waste bins/containers must not be blocked.
- 38.2. Waste water must be disposed of in the appropriate waste water points. Do not put waste water pipes in storm drains
- 38.3. All waste oil must be placed in the containers marked "Waste Oil."
- 38.4. Waste tyres and empty petrol/oil containers should not be left at the Venue.
- 38.5. Caravan waste contained within a cassette and can be disposed of in the nominated waste point. Under no circumstances must the public toilets be used.
- 38.6. Only one truck wash is permitted upon arrival to at the Venue. Anyone caught washing their truck more than once may be subject to a £100 fine.
- 38.7. Personnel are urged to take any other form of waste with them when they leave the Venue, or to place it in the refuse containers provided.
- 38.8. Your attention is drawn to the requirements of the Environmental Protection Act 1990.

### 39. First Aid

- 39.1. Any person sustaining an injury or feeling unwell should seek treatment from the onsite emergency services.
- 39.2. To call the first aid or emergency services contact any official or member of the venue management.
- 39.3. Teams are advised to bring their own First Aid kits.

### 40. Public Safety

- 40.1. Personnel should be aware that the Paddock may be open to the public and should act in a manner so as not to put either themselves or any other person at risk from injury.
- 40.2. Personnel should exercise particular caution when the paddock is busy and during pits and track walkabouts.

### 41. Incident Reporting

All accidents where any person sustains injury, or could have potentially sustained an injury i.e. a 'Near Miss' or where damage to property or a security breach occurs must be reported immediately to an official or a member of MSV Venue Management. Any serious incidents – including those on track – must be reported to the MSV Duty Manager ASAP and the form included within this Agreement must be completed. It is the responsibility of the Organiser where applicable to report all accidents and incidents under the Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 2013 (RIDDOR) to ensure that any incidents and/or accidents are reported to the regulatory authority.

### 42. Temporary Structures

- 42.1. All temporary structures, including temporary garage units or hospitality units, must be constructed as per manufacturer's instructions, adhering to safe method statements, risk assessments and safe working practices, by competent, well trained personnel only. Appropriate Public/Employers Liability Insurance cover must be held.
- 42.2. Structural plans and weight loading calculations must be known and adhered to during build and breakdown activities.
- 42.3. Emergency procedures to be devised and staff trained on them e.g. how and when to close a structure down safely in high winds.
- 42.4. Competent supervisor to sign-off the structure before it is used by members of the public or MSV staff.

### 43. No Spectating at Height

- 43.1. No spectating from areas at height, e.g. tail lifts, truck roofs or any other roof (unless handrails are in place to prevent falls).
- 43.2. No spectating from any venue infrastructure, such as fencing, waste bins or generators.

### 44. Track Regulations and Governing Bodies Regulations

Participants and Competitors are reminded of their obligations to always comply with the requirements of the appropriate Track Regulations or Governing Body's regulations. These Guidance Notes should be read in conjunction with all relevant UK regulations.

### 45. Health and Safety – Risk Assessment & Safety Guidance Notes Compliance

The below guidance notes set out the minimum standard expected from the Organiser, Contractors, Teams and Participants.

In the Event of Medical Emergency

- Inform an official.
- Outside of hours please call 999.

**In the Event of Fire**

- Sound the Alarm
- Inform Race Control immediately they will call fire brigade if required during Track operational hours.
- Tackle the fire if safe to do so
- Shut down any equipment or machinery
- It is inadvisable for untrained personnel to attempt to extinguish a fire involving LPG or electrical vehicles.
- Outside of hours call 999

If you call 999 please contact an official to ensure access is granted to the Venue, please advise what the incident is and the locations. It is the sole responsibility of the Organiser, all Teams and Participants to ensure that all of the below safety requirements are enforced. All parties acknowledge that the below list is not exhaustive that it is their responsibility to enforce the below items and any other such safety measures they deem appropriate.

**46. Safeguarding and Anti-Social Behaviour****46.1. Safeguarding**

The British Racing & Sports Car Club (BRSCC) is committed to safeguarding the welfare of young and vulnerable individuals involved in its activities. The Club's Safeguarding Policy outlines its dedication to providing a safe environment and emphasises that the individual's welfare is paramount. Key points from the policy include:

- Recognising the responsibility of all involved in motorsport, both professionals and volunteers, to safeguard and promote the interests and well-being of young and vulnerable individuals.
- Emphasising the importance of collaboration with all parties involved to protect individuals from harm and discrimination.
- Acknowledging that abuse can occur in sport and highlighting the need to raise awareness, understand the main forms of abuse, and establish communication and reporting procedures if abuse is suspected.
- All suspicions and allegations of inappropriate behaviour will be taken seriously and responded to swiftly and appropriately. It is everyone's responsibility to report any concerns at the first opportunity to the Club's Safeguarding Officers present at the meeting.

**46.2. Anti-Social Behaviour**

Anti-social behaviour is strictly prohibited in the BRSCC paddock. We promote a safe, respectful, and inclusive environment for all participants, including drivers, teams, officials, and spectators.

Our Safeguarding Policy explicitly addresses the importance of maintaining a positive atmosphere and preventing harmful behaviour, including bullying, harassment, or discrimination. Anyone found engaging in bullying, whether physical, verbal, or online, may face disciplinary action.

If any form of anti-social behaviour is observed or experienced, individuals are encouraged to report it to the BRSCC Safeguarding Officer and Clerk of the Course immediately. Reports will be thoroughly investigated and dealt with in line with Motorsport UK's Race with Respect initiative and the National Competition Rules. This could result in a competitor and/or a team being asked to leave the circuit and being subject to a penalty under the NCR. Additionally, the BRSCC reserves the right to review any anti-social behaviour and consider if any breach of the Club's Membership Rules has occurred, including by not limited to bringing the Club into disrepute. If a member is found to be in breach of the Club's Membership Rules they may face immediate suspension of membership or expulsion from the Club.

**RACE WITH RESPECT**

Encouraging a positive environment, on and off the track

A socially-minded standard of behaviour is expected from everyone within the motorsport community.

By participating in a Motorsport UK event, in any capacity, you are agreeing to follow the values of the governing body's Respect Code:

- **RESPECT**
- **INTEGRITY**
- **FAIR PLAY**
- **SELF-CONTROL**
- **GOOD MANNERS**

[motorsportuk.org/racewithrespect](https://motorsportuk.org/racewithrespect)  
#RaceWithRespect

**RACE  
WITH  
RESPECT**

I pledge to **#RaceWithRespect** and:

- Contribute to a welcoming and friendly environment that ensures the safety and welfare of all participants
- Always behave with integrity and uphold fairness in the sport; play your part in keeping the sport safe through your actions
- Treat everyone with respect, regardless of their gender, ethnic or social background, language, religious or other beliefs, disability, sexual identity or other status
- Recognise that we all represent the sport and therefore have a duty to be polite and respectful to all staff, officials, fellow competitors, volunteers, as well as fans and supporters
- Respect the rules, regulations and authority of the officials and Motorsport UK

I understand that breaching these obligations may result in disciplinary action.

[motorsportuk.org/racewithrespect](https://motorsportuk.org/racewithrespect)

[#RaceWithRespect](https://twitter.com/RaceWithRespect)
